ORANGE

Orange ERP

The platform provided orange employees with a one time use Event Registration platform with discrete access for approximately 450 participants.

For the given event the platform captured the participant's attendance decision, registration details, other specific needs and sent an email to the participant confirming those details and placing a reminder in their Outlook calendar.

The platform will also provide a 10 to 15 question pre and post event evaluation questionnaire and flat text information pages.

This screenshot shows the top section of the registration interface. It includes a sidebar with navigation links (Home, Registration, My Profile, My Calendar, My Account, My Settings, My Tickets, My History, My Favorites, My Alerts, My Notifications, My Messages, My Documents, My Downloads, My Uploads, My Links, My Tools, My Resources, My Support, My Feedback, My Privacy, My Security, My Account, My Settings, My Tickets, My History, My Favorites, My Alerts, My Notifications, My Messages, My Documents, My Downloads, My Uploads, My Links, My Tools, My Resources, My Support, My Feedback, My Privacy, My Security). The main content area is titled 'business 2009 kick off' and contains a 'Welcome' message, a 'Registration' section with a 'Register' button, and a 'My Profile' section with a 'My Profile' button.

This screenshot shows the middle section of the registration interface. It includes a sidebar with navigation links (Home, Registration, My Profile, My Calendar, My Account, My Settings, My Tickets, My History, My Favorites, My Alerts, My Notifications, My Messages, My Documents, My Downloads, My Uploads, My Links, My Tools, My Resources, My Support, My Feedback, My Privacy, My Security). The main content area is titled 'business 2009 kick off' and contains a 'Welcome' message, a 'Registration' section with a 'Register' button, and a 'My Profile' section with a 'My Profile' button.

This screenshot shows the bottom section of the registration interface. It includes a sidebar with navigation links (Home, Registration, My Profile, My Calendar, My Account, My Settings, My Tickets, My History, My Favorites, My Alerts, My Notifications, My Messages, My Documents, My Downloads, My Uploads, My Links, My Tools, My Resources, My Support, My Feedback, My Privacy, My Security). The main content area is titled 'business 2009 kick off' and contains a 'Welcome' message, a 'Registration' section with a 'Register' button, and a 'My Profile' section with a 'My Profile' button.

ORANGE

Orange Business Kickoff

The platform provided orange employees with a one time use Event Registration platform with discrete access for Orange staff.

For the given event the platform captured the participant's attendance decision, registration details, other specific needs and sent an email to the participant confirming those details and placing a reminder in their Outlook calendar.

To be able to send a group email on a given date to those participants with no activity in their profile. To re-skin the Orange ERP platform.

ORANGE

My Role

To define the goals of the system, write and consult on the functional specifications.

To conduct end user studies and consult with the development team.

To ensure the project was delivered on time and to budget.

To ensure that the system met with Orange brand and useability guidelines.
